Egg white 500g

Pancake dough 500g

Ready to foam!

Separating egg whites from yolks with your hands is now a thing of the past. This Balticovo product consists of 14 egg whites and can be used not only for confectionery needs, but also for making protein omelettes, scrambled eggs and other healthy dishes! Egg white is a great source of protein, and it does not contain fat.

Just pour it into the pan!

Making pancakes has now become even more convenient, as Balticovo offers a ready-made thin pancake dough, from which you can make 5-7 medium-sized delicious pancakes, that can be enjoyed with both sweet and salty additives. The dough contains rice flour and does not contain gluten, lactose or dairy products. The product has fewer calories and lower sugar content*.
